

## Toy & Food Distribution and Day With Santa

The Social Services Program, Clothing Center and volunteers have done it again! With the help of many volunteers, many hours of preparation, and a lot of thanks to the businesses of the community, who generously donated cash or toys, Pike CAC was able to provide toys to 1,198 children and 604 households this holiday season, as well as 338 treats. 12 pallets of Luigino's frozen dinners were also distributed.
