BOWL-A-THON “FUN”-DRAISER

Community Action Committee of Pike County recently held its 2nd Annual Bowl-a-thon, July 25, 2003. The event is part of the agency’s fundraising efforts to support the Crisis Fund Program. Over the past few years, the funds depleted quickly and efforts to maintain the program have been accomplished by support from the employees and employees’ participation in fundraisers. Community Action Committee of Pike County plans on making this an annual event because of its success. Thanks go out to Dave Weiss of Weiss Recreation who donated the facility for this event and all business and patrons who pledged. Thirteen teams (65 individuals) participated and raised \$3,172 in pledges. There were many prizes and trophies for participants.
