

Labor Market Information Training Conducted in February

A Labor Market Information Training was conducted at Workforce Connections of Pike County on Wednesday, February 21st, 2007.

Employers that attended the training learned how to obtain free, up-to-date job descriptions; how to access SCOTI (Ohio's Labor Exchange System) to place job orders and review resumes for potential candidates; how to access current wage information by occupation; and how to access "County Profiles" to obtain information regarding employment, census, economics, etc.

The Presenters were Robert Wilson and Abbea Forcum of the Ohio Department of Job & Family Services in coordination with Lisa Pfeifer of Workforce Connections of Pike County.

Look for additional Labor Market Information Training dates later in the year.

Presenters: Abbea Forcum and Robert Wilson
