RE: 2007 Relay for Life Event

I wish to thank you, your family, and friends that donated and participated in the 2007 Relay for Life. It was amazing to see how many came out to support the 2007 Relay for Life Event held June 8-9 at the Pike County Fairgrounds and who supported different fund raising events throughout the year. There are no words that can express how deeply I appreciate everything that was done and for your being so dedicated and determined to make this event a success. You are truly great employees and friends.

The 2007 Pike County Relay for Life Team "Parrots In Paradise" earned \$7,250. We won 1st place in money contributed, and 1st place in Best Decorated Campsite.

Teamwork: Many hands, many minds... one goal.
