***First truckload of items delivered to Highland Co. CAA on September 12, 2005.**

The week of September 5th, Community Action of Pike County, Inc. sent a truckload of supplies (donated and purchased, including stuff from Piketon High School) to Highland County Community Action Agency. Highland Co. CAA was very impressed with our donation and very appreciative. A semi-truck will be leaving from Highland Co. CAA for the second time on September 14, 2005 to Louisiana.
