OUR VISION

To grow independent, healthy lives while leading the charge to end poverty.

WHAT DOES ACHIEVING OUR VISION LOOK LIKE?

<u>Educated Communities</u>	Influential provider of resources, education, and training opportunities.
<u>Barriers Eliminated</u>	Bridge gaps to meet essential needs and promote quality healthcare and independence.
<u>Innovative Solutions</u>	Recognized leader in best practices and customer service.
<u>Empowerment</u>	Steadfast pillar of support that empowers the community and staff to live the vision.
<u>No More Poverty</u>	Lead partnerships to maximize funding and develop innovative programs resulting in the growth of independent, healthy lives.

OUR MISSION

It is our mission to end poverty by empowering and improving people's lives while building strong communities.

OUR VALUES

<u>Service</u>	We are committed to providing quality, equitable, customer-focused solutions in our communities and to the rich communication and collaborative partnerships that make this possible.
<u>Integrity and Passion</u>	We hold to strong moral principles and honesty while being bold, passionate, and empathetic partners.
<u>Stewardship</u>	We are trustworthy and transparent stewards of all our resources

OUR STRATEGIC PRIORITIES

1. Invest in our workforce to ensure excellence in all we do.
2. Foster an organizational culture that is consistent with our values.
3. Provide partnership and advocacy to improve and empower our communities.
4. Seek continuous improvement and innovation in every aspect of our business.

HOW WILL WE MEASURE OUR SUCCESS?

As a part of our strategic plan, we will create key performance indicators that we will monitor to measure our success in meeting our strategic goals and objectives.
