Workforce & Business Development at Community Action

941 Market St.

Piketon, OH 45661

(740) 289-2371

[www.businessdevelopment
program.org](http://www.businessdevelopmentprogram.org)

Small Business Training & Technical Assistance-the Workforce & Business Development Program operates the Business Development Training and Assistance Program and can guide individuals in Jackson, Pike, Ross, and Scioto counties of Ohio, through one-on-one counseling or a classroom atmosphere in exploring and developing the opportunity to own, operate, and expand, or purchase a small business as means of employment and to increase or supplement income. During the Business Development Training Program, individuals will assess and develop their personal skills, determine the viability of their business idea, learn business management and financial skills, conduct market and Industry research, and develop a BUSINESS

PLAN. In addition, participants have access to ongoing support Services.

Adult Program-The purpose of the Adult Program Is to strengthen and Improve our nation's public workforce system and help get Americans, including youth and those with significant barriers to employment, into high-quality jobs and careers and help employers hire and retain skilled workers. The Program Includes adults at 300% of poverty guidelines or Individuals who have been terminated, laid-off, or were self-employed that are now unemployed.

Small Business Lending Program- Our Small Business Lending Program is designed to provide the financial support needed, even if you were turned down by your bank. Funds may be used for starting, building, or growing your business with loans ranging from \$5,000 up to \$25,000. The borrower is required to have an equity investment. Applicants interested must submit a written business plan including cash flow projections, as well as pertinent business and personal financial information. The Workforce & Business Development Staff is available to assist individuals and businesses in their efforts to compile this data. Applicants or the business must be located within one of the following seven counties: Adams, Brown, Jackson, Highland, Lawrence, Pike, Ross, or Scioto.

SPARK (Youth Program)-Through the SPARK Program, local youth are given the opportunity to make a positive impact on the training and development of the future in the workforce. SPARK is dedicated to helping local youth (ages 14 to 24) meet educational, professional, and personal goals, such as: Career Preparation, Work Experience, and more. Local businesses are given the opportunity to make a positive Impact on the training and development of future generations in the workforce with on-the-job training and development that benefits both the client and the business. The SPARK Program provides the wages and liability coverage necessary for the youth to gain skills and valuable work experience through your mentorship and business environment.

GRIT (Growing Rural Independence Together Through Jobs)-The GRIT Project supports youth and adults who are unemployed or underemployed in getting the education, training, and tools needed to obtain living-wage and rewarding jobs within their communities. As a collective group of schools, non-profit agencies, treatment facilities, courts, OhioMeansJobs Career Centers, and volunteers, we are working to find you the skills needed to secure employment in your community. Through the GRIT resources and assessments, we can help you find a path forward, make a career

transition or update your skills for an In-demand job.

TRANSITIONS- The Transitions Program utilizes special grant funding, specifically to help those impacted by the opioid epidemic. Through our work experience program, we offer local businesses the ability to make an impact on the lives of those in our community by providing the on-the-job training and development that benefits both the client and the business. This program helps build resilience in our community by targeting those in or out of recovery, and those impacted by a family member battling addiction. By helping them uncover personal and work-related strengths through confidential case management and collaborations with the agencies they are already using in our community.

Ohio Means Jobs Pike County (OMJ)- The OMJ Center is a universal service that is available at no cost to everyone and has no income requirements. The OMJ Center is a fully staffed Career Center with a wide variety of Job Search, Career Planning, and Community Resource Information. It contains local and regional newspapers, as well as training information, job applications for many area employers, and Labor Market Information. The Phone Center is available for individuals to call employers or check on potential job leads. The Computer Center gives individuals access to the Internet and on-line job search as well as word processing to develop resumes and cover letters. Please check with any OMJ staff person for assistance with a resume. Individuals may also complete assessments on ohiomeansjobs.com which will assist in determining the individual's interests, values and abilities as well as, basic skills.

We offer counseling services, support groups, free educational trainings to school nurses, teachers, and students on seizure recognition and seizure first aid. We also provide advocacy services, not just on the state level, but Individual advocacy services as well. We work with families and participate in IEP meetings with the families, to help explain their child's seizures type, post-Ictal phases, medication side effects, and how those three things can impact the child's learning. Our goal is to develop either an IEP or 504 plan that will make the child as successful as possible in the classroom, with the needed accommodation. We also operate Camp Flame Catcher which is a camp for children and teens living with epilepsy. We accept all children, regardless of ability to pay. We have scholarships available so all children can attend.

Pike County YMCA

400 Pride Drive
Waverly, Ohio 45690
(740) 947-8862

In an effort to interrupt a cycle and provide leadership for a cultural change, the Pike County YMCA Is embarking on two overlapping projects. Hurt to Hope, named after a Waverly Jr. High student who committed suicide in 2017, Ms. Katelyn Hurt. For affected youth, the program is designed to provide a safe place to come after school, on weekends, and during the summer for meals. Emotional support, behavioral and clinical services through partnerships with local mental health providers, and activities for enjoyment and enrichment. There will be professional and volunteer emotional support, organized activities, provide a stable, safe environment for students to spend time, heal and grow into productive young adults. The Hurt to Hope program Is thriving and serving 110 students throughout Pike County. In order to engage as many children as possible, we are providing A family membership to those caregivers/grand/great-parent that are raising at risk children birth to 12. This provides opportunity for Support groups, resources, and a Healthy Escape by participating in YMCA activities. The Pike County YMCA Is leading the charge while partnering with Community Action Kinship Program, Scioto Paint Valley Mental Health, and Pike County Drug Court.
