

Great Things Are Happening at Community Action

TO: All Employees and Board Members
FROM: Gary Roberts, Executive Director
DATE: December 21, 2015
RE: Community Action Success Stories

Our agency affects the lives of thousands of people. This year we will be sure to share our accomplishments with Board and staff. Please notify me if you are aware of activities that should be included.

CAC Wellness Program

The Health Action Council has notified CAC that it is receiving a Healthy Worksite Award based on the success of our wellness efforts.

Josh Newland will represent CAC at the 2016 Health Action Council Awards ceremony in Columbus on January 20th, 2016.

Congratulations to Josh, Sherri and all of our staff that continue to support our wellness activities.

To get the new year started we will be having **a 5-k walk at CAC on January 1, 2016 at 10 a.m.**
